And Aggregate Materials` :

REQUEST FOR CORRECTED FILING RECEIPT

It is respectfully requested that the Patent and Trademark Office records for the above-identified application be changed to correct the spelling of the last name of one of the inventors, from "Scharpe" to - - Scharpf - -, as shown on the attached copy of the Notification of Missing Requirements Under 35 USC 371 in the United States Designated/Elected Office (DO/EO/US).

The correct spelling of the middle name of the inventor is clearly present on the

DECLARATION FOR UTILITY OR DESIGN PATENT APPLICATION which is being filed concurrently herewith. A copy of that Declaration is also attached to this Request.

Please direct any question about this request to the Applicant's undersigned attorney.

Respectfully submitted,

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
